

## Public Consultation on the Built Confines of the Parish of Appledore

As part of the local plan to 2030, the Local Planning Authority is reviewing the built confines for Appledore and Appledore Heath. The attached plan illustrates the built confine areas for Appledore and Appledore Heath. The general public can make comments and criticisms to the parish council to be passed on to Ashford Planning Departments. All comments must be with the Parish Clerk (Mary Philo) by the 4<sup>th</sup> February.

Contact details for Mary Philo:                      01797270790                      apc.mphilo@gmail.com

Or contact one of your parish councillors.

### Key for Non-Commercial (Windfall) Residential Development – Built Confine

These boundaries describe where windfall development would be more readily considered if all other planning regulations are complied with.

Land lying **within** this boundary would be more readily considered for residential building.

Land lying **within and adjacent** to this boundary would be more readily considered for residential building.

#### **Notes:**

- Windfall developments generally range from 1 – 3 dwellings.
- Please be aware that prospective development applications that meet all planning regulations and lies within or adjacent to the marked boundaries will not necessarily be accepted.
